## RESEARCH INTERESTS

---

My research interests are in the broader areas of Parallel and Distributed Computing, Big Data Analytics, Big Data, Edge Cloud Computing and Scheduling.

## WHAT MAKES ME A BEST CANDIDATE FOR THIS POSITION?

---

1. **Academic Qualification** I have M.S. degree in Computer Science and possess a great passion for teaching, research, and development.
2. **Relevant Research & Development Experience** I have a broad range of research expertise including in-depth understanding of Distributed Systems, Scheduling, Edge Cloud Computing, Hadoop, and Big Data Analytics.
3. **Supervision Experience** I have co-supervised one BS thesis in Computer Science Department at Govt. Girls Postgraduate College No.1, Abbottabad, Pakistan, as mentioned in the experience section and research work is published in SCI Journal titled The Journal of Supercomputing by Springer.
4. **International Collaboration Experience** I have international collaboration experience in the South Korea on different research projects, as reflected in my publications.
5. **Lecturer & Teacher Assistant Experience** I worked as a Computer Science Lecturer at The Creators College, Abbottabad, Pakistan. Moreover, I also served as a teaching assistant (TA) for several undergraduate and graduate-level courses at Hongik University, South Korea.

## EDUCATIONAL PROFILE

---

- |             |   |
|-------------|---|
| 2015 - 2018 | Master of Science in COMPUTER SCIENCE, <b>COMSATS University Islamabad</b> , Abbottabad Campus, Pakistan<br><b>Thesis Title:</b> "Comparative Analysis of Task Level Reactive Fault Tolerance Techniques in Hadoop Map Reduce Towards Performance Evaluation"<br><b>Advisor:</b> Associate. Prof. Dr. Babar Nazir<br>CGPA: 3.61/4.0 |
| 2009 - 2014 | Bachelor of Science in COMPUTER SCIENCE, <b>SZABIST</b> , Islamabad Campus, Pakistan<br><b>Project Title:</b> "RFID Based Android Application"<br><b>Advisor:</b> Mr. Zubair Ahmed<br>CGPA: 2.74/4.0  |

## ACADEMIC RESEARCH, TEACHING, SUPERVISION AND INDUSTRY EXPERIENCE

---

April, 2021 - Feb 2022 [Academic Supervision](#) COMPUTER SCIENCE DEPARTMENT, Govt. Girls Postgraduate College No.1, Abbottabad, Pakistan.

**Responsibilities:** I have co-supervised the following BS thesis in Computer Science Department at Govt. Girls Postgraduate College No.1, Abbottabad, Pakistan.

- Laiba Hamid: Comparative Analysis of Task Level Heuristic Scheduling Algorithms in Cloud Computing.

January, 2019 - April 2021 [REGIONAL MANAGER, AT REGIONAL OFFICE GUJRANWALA](#), The Spirit Schools, Lahore, Pakistan.

**Responsibilities:** Handling of Customer inquiries often involve some form of complaint that must handle in accordance with the company's guidelines and policies. Answering telephone calls and making the appropriate transfers. Processing new client accounts, maintaining customer accounts, implementing changes to existing accounts, and filing documents and other paperwork. Making Presentations and usage of Microsoft Office. Daily Regional Collection Sheet, Update royalty ledgers, Category wise campus segregation, Campus wise folders of royalty slips, Separate campus files, Updated student's strength record, Monthly traveling record, Monthly petty cash Bills.

April 2017 - Dec 2017 [Lecturer Computer Science](#) The Creators College, Abbottabad, Pakistan.

At Creators College, my duties were 1) To teach the students of ICS and B.Com. 2) Support the day to day IT issues and setup the IT Lab for college students. 3) Had created and maintained the official website of the college namely (<https://www.thecreators.edu.pk>). Moreover, I implemented differentiated teaching methods, drafted homework and quizzes, conducted discussion sessions during office hours, prepared exams, and finalized the grading.

April 2016 – April 2017 [IT Support Engineer](#) Pakistan Post Office, GPO Abbottabad, Abbottabad, Pakistan.

My duties were but not limited to 1) Providing support in the event of software failure. 2) To support customers inquiries and complaints regarding UMS tracking. 3) Working on system maintenance patches and data fixes.
